

# Treeview Swim Club

Dear Fellow Members,

In 2010 Treeview Swim Club will be celebrating its **50th** year providing summer fun and recreation to our community. We hope you will take advantage of all the opportunities to celebrate this milestone with your fellow members at the events to be hosted by the Club. There will be more coming to you about the schedule of operations and events as the time draws closer to the opening of the 2010 pool season.

We had a good showing of members at the general membership meeting. The members voted for the budget proposal with \$450 as the dues for the year. No increase from last year.

Your 2010 board members are:

President, Mimi Bauer;  
Secretary, Denise Eldred  
Board Member, Helen Botelho  
Board Member, John Nelson

Vice President, Jessica Doerr  
Treasurer, Terra Cruz  
Board Member, Tammy Spencer

The first thing your new board established was a Pay Pal account. Yeah! You can now go on the Club's web site and pay your dues with your credit card. You can pay in full or in installments. Now you will be able to earn points on your credit card while paying for your staycation (stay vacation). Not only will you be able to use your credit card to pay your dues but you will also be able to use it for any purchases of \$20 or more at the Club this summer; great for swim lessons, guest card passes and snack bar cards. Speaking of Snack Bar, look forward to an expanded menu. And if that isn't enough to wet your appetite to celebrate Treeview's 50<sup>th</sup> anniversary, we are arranging for the club to provide WIFI service!!!!!! And even more will be coming in the e-mail and on the web site about what's new to look forward to in 2010 for the kids.

Last year during the winter season a good number of maintenance issues were addressed, but not all due to budget constraints, and the pool was shut down for a combined total of two weeks to make repairs. It could have been a lot longer. While things do happen, the best prevention is to do as much maintenance in the winter months as possible. The board has taken the action of reverting all administrative and as much maintenance work as possible back onto the responsibility of the volunteer board rather than paid staff to more efficiently utilize funds for repairs. However, to come as close to a problem-free

operation of the Club's facilities in 2010, all known updates and repairs to the pool and grounds that are needed prior to opening day are hoped to be addressed. *This can only be accomplished if the dues are available now to cover the cost of the repairs.* As such, the Club is providing the following incentives for timely payment of dues.

Payment in full by December 31, 2009 – 20 Anybody Guest Passes (\$80 value)\*  
1 Party with 10 Free Guests (\$95 value)\*

Payment in full by January 31, 2010 – 10 Anybody Guest Passes (\$40 value)\*  
1 Party with 5 Free Guests (\$70 value)\*

We will be updating the web site on a regular basis and building a members' e-mail database. With these two improvements we hope to keep you informed of all the events and any change in operation of the Club's hours. You won't have to rely on driving by to see if the flag is flying, or a note is tacked on the fence anymore.

So please go to the Club's website to take care of the dues now so you won't have to worry about them later; earn points on your credit card; get free passes for your friends and neighbors; and have a great place to party at no cost with friends and family this summer. Then please e-mail us so we can put you on the data base.

Looking forward to a fun filled summer with you at the best little watering hole in California,

Mimi Bauer, President

Dues need to be paid in full by March 31, 2010 otherwise the membership will be rostered with the board for cancellation.

\*Incentives expire at the end of the 2010 swim season.
